

PLEDGE TO MEDIATE

(Initiated by the Indian Institute of Arbitration & Mediation)

I do make the following pledge, to declare my commitment to promote the use of mediation and thereby promote peaceful co-existence and harmony in the community.

1. I understand that Mediation as a conflict resolution methodology works in perfect harmony within the legal system and empowers us to resolve the dispute in a consensual manner, preserving the relationship between the disputants.
2. Should a dispute arise in my life, I promise to use mediation as the first step to resolve the dispute before pursuing arbitration or litigation before courts.
3. I will promote mediation and encourage others to use mediation wherever appropriate and suitable.
4. I understand that a mediation culture could lay the foundation to a long term process of positive social transition by making the society just, equal and fair.
