FOREWORD

IIAM Arbitration is based on the Arbitration Rules published by the Indian Institute of Arbitration & Mediation (IIAM), which is intended to help parties and arbitrators to take maximum advantage of the flexible procedures available in arbitration for the resolution of disputes quickly and economically. The IIAM Arbitration Rules has adopted the UNCITRAL Arbitration Rules, 2010 with modifications and is intended to provide effective arbitration services through the use of administered arbitration on global standards. The Rules allow the procedure to be as short and as inexpensive as practicable. The costs and expenses of arbitration will be governed by the Fee Schedule of the IIAM Arbitration Rules.

For administered arbitration by IIAM, there should be an arbitration clause in their contracts or in the absence of any such clause; there should be an agreement between the parties to arbitrate under the IIAM Rules.

Recommended clauses for arbitration, models forms and the guide to the Rules are given in this Rule Book.

Further information about IIAM services, rules and procedures can be found in our website.

IIAM ARBITRATION RULES
(As revised in 2017)

PART-I

1. The IIAM Arbitration Rules (hereinafter referred to as “Rules”) shall be the UNCITRAL Arbitration Rules modified in accordance with the rules set out below.

2. “Rule” shall refer to PART-I of the Rules and “Article” shall refer to PART-II of the Rules.

3. All communication made to IIAM shall be addressed to the Administrator of IIAM.

4. Definitions of specific terms used under the Rules may be referred to in Schedule-3.

5. The costs and expenses of arbitration will be governed by the IIAM Arbitration Fee Schedule under the IIAM Arbitration Rules, referred in Schedule-9.

Rule 1
General

1. Where parties have agreed in writing to arbitrate their disputes by the Indian Institute of Arbitration & Mediation (hereinafter referred to as “IIAM”) or under the Arbitration Rules of the Indian Institute of Arbitration & Mediation (hereinafter referred to as “IIAM Arbitration Rules”), then:

   a. It is deemed that the parties have made these Rules as part of their arbitration agreement and such disputes shall be settled or resolved by
arbitration in accordance with the Rules and shall be legally bound to comply with these Rules;

b. The arbitration shall be conducted and administered by the IIAM in accordance with the Rules; and

c. The parties are deemed to have authorised IIAM to determine any or all issues, which the parties are free to determine as per the Arbitration & Conciliation Act, 1996 and as per the UNCITRAL Arbitration Rules.

2. The Rules applicable to the arbitration shall be those in force at the time of commencement of the arbitration unless the parties have agreed otherwise.

3. These Rules shall govern the arbitration except that where any of these Rules are in conflict with a provision of the law applicable to the arbitration from which the parties cannot derogate, that provision shall prevail.

4. Nothing in these Rules shall prevent the parties to a dispute or arbitration agreement from naming IIAM as appointing authority, or from requesting certain administrative services from IIAM, without subjecting the arbitration to these Rules.

5. For avoidance of any doubt, in so far as there is any conflict between Part-I and Part-II of the Rules, the provisions in Part-I shall prevail.

Rule 2
Commencement of Arbitration

1. The party or parties initiating recourse to arbitration under the Rules shall be required to submit an Arbitration Submission Form (Form No. 103) to IIAM and shall be accompanied by the following:

   a. A copy of the Arbitration Agreement and Notice of Arbitration served on the Opposite Party/Respondent;

   b. Documents/Confirmation to IIAM that the Notice of Arbitration has been or is being served on all other parties to the arbitration by such means of service to be identified in such confirmation; and
c. The appropriate registration / filing fee as provided in the IIAM Arbitration Fee Schedule.

2. The date of receipt by IIAM of the Arbitration Submission Form, complete with all the accompanying documentation and the appropriate filing fee shall be treated as the date on which the institutional arbitration has commenced for all purposes under the Rules (“Commencement of Institutional Arbitration Process”).

3. The date of receipt of intimation by the arbitral tribunal about the constitution of the arbitral tribunal shall be deemed to be the date when the arbitral tribunal enters upon reference under the Rules (“Date of Reference”).

4. The date of receipt of Notice of Arbitration by the Opposite Party/Respondent shall be deemed to be the commencement of arbitration (“Commencement of Arbitration”).

Rule 3
Notifications; Time Limits

1. All pleadings and other written communications submitted by any party, as well as all documents annexed thereto, shall be filed in sufficient numbers to provide one copy for each arbitrator(s), which shall be duly signed in all pages, plus certified true copies sufficient for serving to all other parties and one for IIAM. If the party has served the certified copy to the other parties, then the party shall file such documents/confirmation to IIAM that the copies have been served on all other parties to the arbitration by such means of service to be identified in such confirmation.

2. A copy of any communication to or from the Arbitral Tribunal by or to the parties shall be sent to IIAM.

3. If the circumstances of the case so justify and for sufficient reasons, IIAM may amend the time limits provided for in these Rules, as well as any time limits that it has set. IIAM shall not amend any time limits set by the Arbitral Tribunal unless it directs otherwise.

4. The time periods established in this Rules are to be strictly enforced and a Party’s untimely Claim, Response, Request, Demand, Notice or Submission may be denied solely because it is untimely.
Rule 4
Number of Arbitrators

1. Where the parties have agreed to the Rules, IIAM shall be the Appointing Authority.

2. Parties are free to determine the number of arbitrators subject to the law governing the arbitration.

3. In general, the dispute under these Rules shall be decided by a sole arbitrator unless, otherwise agreed by the parties.

4. A dispute shall be decided by three arbitrators if the parties have agreed to do so or IIAM, in the absence of an agreement between the parties, taking into account the parties’ intentions, the amount in question, the complexity or other relevant factors of the dispute, considers it appropriate to appoint three arbitrators.

5. Notwithstanding Rule 4(4), if no other parties have responded to a party’s proposal to appoint an arbitrator in accordance with Rule 4B or 4C, IIAM may, at the request of a party, appoint a sole arbitrator pursuant to the procedure provided for in Rule 4A(2), if it determines that, in view of the circumstances of the case, that would be more appropriate.

Appointment of Arbitrators (Rules 4A-D)

Rule 4A

1. If the parties have agreed that a sole arbitrator is to be appointed and if within 21 days after receipt by all other parties of a proposal for the appointment of a sole arbitrator the parties have not reached agreement thereon, a sole arbitrator shall, at the request of a party, be appointed by IIAM.

2. IIAM shall appoint the sole arbitrator as promptly as possible and at any rate within a period of 21 days. In making the appointment, IIAM shall use the following list-procedure, unless the parties agree that the list-procedure should not be used or unless IIAM determines in its discretion that the use of the list-procedure is not appropriate for the case:

   a. IIAM shall communicate to each of the parties an identical list containing at least three names;
b. Within 7 days after the receipt of this list, each party may return the list to IIAM after having deleted the name or names to which it objects and number the remaining names on the list in the order of its preference;

c. After the expiration of the above period of time IIAM shall appoint the sole arbitrator from among the names approved on the lists returned to it and in accordance with the order of preference indicated by the parties;

d. If for any reason the appointment cannot be made according to this procedure, IIAM may exercise its discretion in appointing the sole arbitrator.

**Rule 4B**

1. If three arbitrators are to be appointed, each party shall appoint, in the Notice of Arbitration and the Response to the Notice of Arbitration, respectively, one arbitrator.

2. If within 21 days after the receipt of a party’s notification of the appointment of an arbitrator the other party has not notified the first party of the arbitrator it has appointed, the first party may request IIAM to appoint the second arbitrator and IIAM shall appoint the second arbitrator by exercising its discretion, within 7 days.

3. After appointment of the two arbitrators, the presiding arbitrator shall be appointed by IIAM in consultation with the two arbitrators, and if no consensus is reached within 7 days, the presiding arbitrator shall be appointed in the same way as a sole arbitrator would be appointed under Rule 4A.

**Rule 4C**

1. For the purposes of Rule 4B(1), where three arbitrators are to be appointed and there are multiple parties as Claimant or as Respondent, unless the parties have agreed to another method of appointment of arbitrators, the multiple parties jointly, whether as Claimant or as Respondent, shall appoint one arbitrator each.

2. If the parties have agreed that the arbitral tribunal is to be composed of a number of arbitrators other than one or three, the arbitrators shall be appointed according to the method agreed upon by the parties.
3. In the event of any failure to constitute the arbitral tribunal as agreed by the parties, IIAM shall, at the request of any party, constitute the arbitral tribunal and, in doing so, may revoke any appointment already made and appoint or reappoint each of the arbitrators and designate one of them as the presiding arbitrator.

Rule 4D

1. When an arbitrator is appointed by the party or by IIAM, IIAM shall obtain a Disclosure Statement as per Schedule-6, so as to verify and confirm that the Arbitrator is not ineligible to be appointed as an arbitrator in the said dispute under Schedule-4, in the case of domestic arbitration and under Schedule-5, in the case of international arbitration and that the arbitrator can devote the time necessary to conduct the arbitration diligently, efficiently and in accordance with the time limits in the Rules.

2. In case, IIAM finds that there is an ineligibility for the arbitrator as per the Disclosure Statement given under Rule 4D(1), IIAM shall appoint another arbitrator, as per the Rules that were applicable to the appointment of the arbitrator being replaced.

Rule 5

1. The challenge to the arbitrators under this Rule shall be pursuant to Articles 11 to 13 except Article 13(4) which is replaced by Rule 5(2).

2. In that case, within 21 days from the date of the notice of challenge, it shall seek a decision on the challenge from IIAM.

3. Upon such withdrawal or sustainment of the challenge, the substitute arbitrator shall be appointed in accordance with the procedure provided in Rule 4 or Rules 4A-4D, as the case may be.

4. IIAM may fix the costs of the challenge and may direct by whom and how such costs should be borne.
Rule 6
Seat and Venue of Arbitration

1. The parties may agree on the seat of arbitration. Failing such agreement, for domestic arbitration, the seat of arbitration shall be Cochin, the Republic of India, unless the arbitral tribunal determines, having regard to all the circumstances of the case, that another seat is more appropriate. The award shall be deemed to have been made at the seat of arbitration.

2. The venue of arbitration may be fixed by IIAM, as it considers appropriate for deliberations and hearings. The arbitration shall nonetheless be considered for all purposes as an arbitration conducted at the seat.

Rule 7

The case management time frame shall be extended only in exceptional circumstances.
5. All filings shall be made at IIAM as per Rule 3(1) and Articles 17, 20, 21 and 22.

6. In case any of the parties fail to appear or commit default in the Case Management Procedure, the arbitral tribunal shall proceed as per Article 30. In case the defaulting party appears subsequently and/or seeks suitable directions from the arbitral tribunal and if the arbitral tribunal considers appropriate to allow the defaulting party to file their pleadings, IIAM or the arbitral tribunal may again convene the Case Management procedure.

2. Where a party invokes the AMA Procedure under Schedule-2 of the Rules, an Emergency Arbitrator shall be appointed to commence with the procedure so provided under said Schedule.

4. If, after reasonable efforts, delivery cannot be effected in accordance with paragraphs 2 or 3, a notice is deemed to have been received if it is sent to the addressee’s last-known place of business, habitual residence or mailing address by registered letter or any other means that provides a record of delivery or of attempted delivery.

5. A notice shall be deemed to have been received on the day it is delivered in accordance with paragraphs 2, 3 or 4, or attempted to be delivered in accordance with paragraph 4. A notice transmitted by electronic means is deemed to have been received on the day it is sent, except that a notice of arbitration so transmitted is only deemed to have been received on the day when it reaches the addressee’s electronic address.

6. For the purpose of calculating a period of time under these Rules, such period shall begin to run on the day following the day when a notice is received. If the last day of such period is an official holiday or a non-business day at the residence or place of business of the addressee, the period is extended until the first business day which follows. Official holidays or non business days occurring during the running of the period of time are included in calculating the period.

Notice of Arbitration

Article 3
1. The party or parties initiating recourse to arbitration (hereinafter called the “Claimant”) shall communicate to the other party or parties (hereinafter called the “Respondent”) a Notice of Arbitration.

2. Arbitral proceedings shall be deemed to commence on the date on which the Notice of Arbitration is received by the respondent.

3. The Notice of Arbitration shall include the following:
   a. A demand that the dispute be referred to arbitration;
   b. The names and contact details of the parties;
   c. Identification of the arbitration agreement that is invoked;
   d. Identification of any contract or other legal instrument out of or in relation to which the dispute arises or, in the absence of such contract or instrument, a brief description of the relevant relationship;
   e. A brief description of the claim and an indication of the amount involved, if any;
   f. The relief or remedy sought;
   g. A proposal as to the number of arbitrators, language and place of arbitration, if the parties have not previously agreed thereon.

4. The Notice of Arbitration may also include:
   a. A proposal for the designation of an appointing authority referred to in article 6, paragraph 1;
   b. A proposal for the appointment of a sole arbitrator referred to in Article 8, paragraph 1;
   c. Notification of the appointment of an arbitrator referred to in Article 9 or 10.

5. The constitution of the arbitral tribunal shall not be hindered by any controversy with respect to the sufficiency of the Notice of Arbitration, which shall be finally resolved by the arbitral tribunal.
Response to the Notice of Arbitration

Article 4

1. Within 30 days of the receipt of the Notice of Arbitration, the respondent shall communicate to the claimant a Response to the Notice of Arbitration, which shall include:

   a. The name and contact details of each respondent;

   b. A response to the information set forth in the notice of arbitration, pursuant to Article 3, paragraphs 3 (c) to (g).

2. The Response to the Notice of Arbitration may also include:

   a. Any plea that an arbitral tribunal to be constituted under these Rules lacks jurisdiction;

   b. A proposal for the designation of an appointing authority referred to in Article 6, paragraph 1;

   c. A proposal for the appointment of a sole arbitrator referred to in Article 8, paragraph 1;

   d. Notification of the appointment of an arbitrator referred to in Article 9 or 10;

   e. A brief description of counterclaims or claims for the purpose of a set-off, if any, including where relevant, an indication of the amounts involved, and the relief or remedy sought;

   f. A Notice of Arbitration in accordance with Article 3 in case the respondent formulates a claim against a party to the arbitration agreement other than the claimant.

3. The constitution of the arbitral tribunal shall not be hindered by any controversy with respect to the respondent’s failure to communicate a Response to the Notice of Arbitration, or an incomplete or late response to the Notice of Arbitration, which shall be finally resolved by the arbitral tribunal.
Representation and Assistance
Article 5

Each party may be represented or assisted by persons chosen by it. The names and addresses of such persons must be communicated to all parties and to the arbitral tribunal. Such communication must specify whether the appointment is being made for purposes of representation or assistance. Where a person is to act as a representative of a party, the arbitral tribunal, on its own initiative or at the request of any party, may at any time require proof of authority granted to the representative in such a form as the arbitral tribunal may determine.

Designating and Appointing Authorities
Article 6

1. Unless the parties have already agreed on the choice of an appointing authority, a party may at any time propose the name or names of one or more institutions or persons, including the Secretary-General of the Permanent Court of Arbitration at The Hague (hereinafter called the “PCA”), one of whom would serve as appointing authority.

2. If all parties have not agreed on the choice of an appointing authority within 30 days after a proposal made in accordance with paragraph 1 has been received by all other parties, any party may request the Secretary-General of the PCA to designate the appointing authority.

3. Where these Rules provide for a period of time within which a party must refer a matter to an appointing authority and no appointing authority has been agreed on or designated, the period is suspended from the date on which a party initiates the procedure for agreeing on or designating an appointing authority until the date of such agreement or designation.

4. Except as referred to in Article 41, paragraph 4, if the appointing authority refuses to act, or if it fails to appoint an arbitrator within 30 days after it receives a party’s request to do so, fails to act within any other period provided by these Rules, or fails to decide on a challenge to an arbitrator within a reasonable time after receiving a party’s request to do so, any party may request the Secretary General of the PCA to designate a substitute appointing authority.
5. In exercising their functions under these Rules, the appointing authority and the Secretary-General of the PCA may require from any party and the arbitrators the information they deem necessary and they shall give the parties and, where appropriate, the arbitrators, an opportunity to present their views in any manner they consider appropriate. All such communications to and from the appointing authority and the Secretary-General of the PCA shall also be provided by the sender to all other parties.

6. When the appointing authority is requested to appoint an arbitrator pursuant to Articles 8, 9, 10 or 14, the party making the request shall send to the appointing authority copies of the Notice of Arbitration and, if it exists, any Response to the Notice of Arbitration.

7. The appointing authority shall have regard to such considerations as are likely to secure the appointment of an independent and impartial arbitrator and shall take into account the advisability of appointing an arbitrator of a nationality other than the nationalities of the parties.

SECTION II. COMPOSITION OF THE ARBITRAL TRIBUNAL

Number of Arbitrators

Article 7

1. If the parties have not previously agreed on the number of arbitrators, and if within 30 days after the receipt by the respondent of the notice of arbitration the parties have not agreed that there shall be only one arbitrator, three arbitrators shall be appointed.

2. Notwithstanding paragraph 1, if no other parties have responded to a party’s proposal to appoint a sole arbitrator within the time limit provided for in paragraph 1 and the party or parties concerned have failed to appoint a second arbitrator in accordance with Article 9 or 10, the appointing authority may, at the request of a party, appoint a sole arbitrator pursuant to the procedure provided for in Article 8, paragraph 2, if it determines that, in view of the circumstances of the case, this is more appropriate.

Appointment of Arbitrators (Articles 8 to 10)

Article 8

1. If the parties have agreed that a sole arbitrator is to be appointed and if within 30 days after receipt by all other parties of a proposal for the appointment of
a sole arbitrator the parties have not reached agreement thereon, a sole arbitrator shall, at the request of a party, be appointed by the appointing authority.

2. The appointing authority shall appoint the sole arbitrator as promptly as possible. In making the appointment, the appointing authority shall use the following list-procedure, unless the parties agree that the list-procedure should not be used or unless the appointing authority determines in its discretion that the use of the list-procedure is not appropriate for the case:

   a. The appointing authority shall communicate to each of the parties an identical list containing at least three names;

   b. Within 15 days after the receipt of this list, each party may return the list to the appointing authority after having deleted the name or names to which it objects and numbered the remaining names on the list in the order of its preference;

   c. After the expiration of the above period of time the appointing authority shall appoint the sole arbitrator from among the names approved on the lists returned to it and in accordance with the order of preference indicated by the parties;

   d. If for any reason the appointment cannot be made according to this procedure, the appointing authority may exercise its discretion in appointing the sole arbitrator.

**Article 9**

1. If three arbitrators are to be appointed, each party shall appoint one arbitrator. The two arbitrators thus appointed shall choose the third arbitrator who will act as the presiding arbitrator of the arbitral tribunal.

2. If within 30 days after the receipt of a party’s notification of the appointment of an arbitrator the other party has not notified the first party of the arbitrator it has appointed, the first party may request the appointing authority to appoint the second arbitrator.

3. If within 30 days after the appointment of the second arbitrator the two arbitrators have not agreed on the choice of the presiding arbitrator, the
presiding arbitrator shall be appointed by the appointing authority in the same way as a sole arbitrator would be appointed under Article 8.

Article 10

1. For the purposes of Article 9, paragraph 1, where three arbitrators are to be appointed and there are multiple parties as claimant or as respondent, unless the parties have agreed to another method of appointment of arbitrators, the multiple parties jointly, whether as claimant or as respondent, shall appoint an arbitrator.

2. If the parties have agreed that the arbitral tribunal is to be composed of a number of arbitrators other than one or three, the arbitrators shall be appointed according to the method agreed upon by the parties.

3. In the event of any failure to constitute the arbitral tribunal under these Rules, the appointing authority shall, at the request of any party, constitute the arbitral tribunal and, in doing so, may revoke any appointment already made and appoint or reappoint each of the arbitrators and designate one of them as the presiding arbitrator.

Disclosures by and Challenge of Arbitrators¹ (Articles 11 to 13)

Article 11

When a person is approached in connection with his or her possible appointment as an arbitrator, he or she shall disclose any circumstances likely to give rise to justifiable doubts as to his or her impartiality or independence. An arbitrator, from the time of his or her appointment and throughout the arbitral proceedings, shall without delay disclose any such circumstances to the parties and the other arbitrators unless they have already been informed by him or her of these circumstances.

Article 12

1. Any arbitrator may be challenged if circumstances exist that give rise to justifiable doubts as to the arbitrator’s impartiality or independence.

2. A party may challenge the arbitrator appointed by it only for reasons of which it becomes aware after the appointment has been made.

¹ Model statements of independence pursuant to Article 11 can be found in the annex to the Rules
3. In the event that an arbitrator fails to act or in the event of the *de jure* or *de facto* impossibility of his or her performing his or her functions, the procedure in respect of the challenge of an arbitrator as provided in Article 13 shall apply.

**Article 13**

1. A party that intends to challenge an arbitrator shall send notice of its challenge within 15 days after it has been notified of the appointment of the challenged arbitrator, or within 15 days after the circumstances mentioned in Articles 11 and 12 became known to that party.

2. The notice of challenge shall be communicated to all other parties, to the arbitrator who is challenged and to the other arbitrators. The notice of challenge shall state the reasons for the challenge.

3. When an arbitrator has been challenged by a party, all parties may agree to the challenge. The arbitrator may also, after the challenge, withdraw from his or her office. In neither case does this imply acceptance of the validity of the grounds for the challenge.

4. If, within 15 days from the date of the notice of challenge, all parties do not agree to the challenge or the challenged arbitrator does not withdraw, the party making the challenge may elect to pursue it. In that case, within 30 days from the date of the notice of challenge, it shall seek a decision on the challenge by the appointing authority.

**Replacement of an Arbitrator**

**Article 14**

1. Subject to paragraph 2, in any event where an arbitrator has to be replaced during the course of the arbitral proceedings, a substitute arbitrator shall be appointed or chosen pursuant to the procedure provided for in Articles 8 to 11 that was applicable to the appointment or choice of the arbitrator being replaced. This procedure shall apply even if during the process of appointing the arbitrator to be replaced, a party had failed to exercise its right to appoint or to participate in the appointment.

2. If, at the request of a party, the appointing authority determines that, in view of the exceptional circumstances of the case, it would be justified for a party to
be deprived of its right to appoint a substitute arbitrator, the appointing authority may, after giving an opportunity to the parties and the remaining arbitrators to express their views: (a) appoint the substitute arbitrator; or (b) after the closure of the hearings, authorize the other arbitrators to proceed with the arbitration and make any decision or award.

**Repetition of Hearings in the event of the Replacement of an Arbitrator**

**Article 15**

If an arbitrator is replaced, the proceedings shall resume at the stage where the arbitrator who was replaced ceased to perform his or her functions, unless the arbitral tribunal decides otherwise.

**Exclusion of Liability**

**Article 16**

Save for intentional wrongdoing, the parties waive, to the fullest extent permitted under the applicable law, any claim against the arbitrators, the appointing authority and any person appointed by the arbitral tribunal based on any act or omission in connection with the arbitration.

**SECTION III. ARBITRAL PROCEEDINGS**

**General Provisions**

**Article 17**

1. Subject to these Rules, the arbitral tribunal may conduct the arbitration in such manner as it considers appropriate, provided that the parties are treated with equality and that at an appropriate stage of the proceedings each party is given a reasonable opportunity of presenting its case. The arbitral tribunal, in exercising its discretion, shall conduct the proceedings so as to avoid unnecessary delay and expense and to provide a fair and efficient process for resolving the parties' dispute.

2. As soon as practicable after its constitution and after inviting the parties to express their views, the arbitral tribunal shall establish the provisional timetable of the arbitration. The arbitral tribunal may, at any time, after inviting the parties to express their views, extend or abridge any period of time prescribed under these Rules or agreed by the parties.
3. If at an appropriate stage of the proceedings any party so requests, the arbitral tribunal shall hold hearings for the presentation of evidence by witnesses, including expert witnesses, or for oral argument. In the absence of such a request, the arbitral tribunal shall decide whether to hold such hearings or whether the proceedings shall be conducted on the basis of documents and other materials.

4. All communications to the arbitral tribunal by one party shall be communicated by that party to all other parties. Such communications shall be made at the same time, except as otherwise permitted by the arbitral tribunal if it may do so under applicable law.

5. The arbitral tribunal may, at the request of any party, allow one or more third persons to be joined in the arbitration as a party provided such person is a party to the arbitration agreement, unless the arbitral tribunal finds, after giving all parties, including the person or persons to be joined, the opportunity to be heard, that joinder should not be permitted because of prejudice to any of those parties. The arbitral tribunal may make a single award or several awards in respect of all parties so involved in the arbitration.

Place of Arbitration
Article 18

1. If the parties have not previously agreed on the place of arbitration, the place of arbitration shall be determined by the arbitral tribunal having regard to the circumstances of the case. The award shall be deemed to have been made at the place of arbitration.

2. The arbitral tribunal may meet at any location it considers appropriate for deliberations. Unless otherwise agreed by the parties, the arbitral tribunal may also meet at any location it considers appropriate for any other purpose, including hearings.

Language
Article 19

1. Subject to an agreement by the parties, the arbitral tribunal shall, promptly after its appointment, determine the language or languages to be used in the proceedings. This determination shall apply to the statement of claim, the statement of defence, and any further written statements and, if oral hearings take place, to the language or languages to be used in such hearings.
2. The arbitral tribunal may order that any documents annexed to the statement of claim or statement of defence, and any supplementary documents or exhibits submitted in the course of the proceedings, delivered in their original language, shall be accompanied by a translation into the language or languages agreed upon by the parties or determined by the arbitral tribunal.

**Statement of Claim**

**Article 20**

1. The claimant shall communicate its Statement of Claim in writing to the respondent and to each of the arbitrators within a period of time to be determined by the arbitral tribunal. The claimant may elect to treat its Notice of Arbitration referred to in Article 3 as a statement of claim, provided that the Notice of Arbitration also complies with the requirements of paragraphs 2 to 4 of this Article.

2. The Statement of Claim shall include the following particulars:

   a. The names and contact details of the parties;
   
   b. A statement of the facts supporting the claim;
   
   c. The points at issue;
   
   d. The relief or remedy sought;
   
   e. The legal grounds or arguments supporting the claim.

3. A copy of any contract or other legal instrument out of or in relation to which the dispute arises and of the arbitration agreement shall be annexed to the Statement of Claim.

4. The Statement of Claim should, as far as possible, be accompanied by all documents and other evidence relied upon by the claimant, or contain references to them.

**Statement of Defence**

**Article 21**

1. The respondent shall communicate its Statement of Defence in writing to the claimant and to each of the arbitrators within a period of time to be determined
by the arbitral tribunal. The respondent may elect to treat its Response to the Notice of Arbitration referred to in Article 4 as a Statement of Defence, provided that the response to the notice of arbitration also complies with the requirements of paragraph 2 of this Article.

2. The Statement of Defence shall reply to the particulars (b) to (e) of the Statement of Claim (art. 20, para. 2). The Statement of Defence should, as far as possible, be accompanied by all documents and other evidence relied upon by the respondent, or contain references to them.

3. In its Statement of Defence, or at a later stage in the arbitral proceedings if the arbitral tribunal decides that the delay was justified under the circumstances, the respondent may make a Counterclaim or rely on a claim for the purpose of a set-off provided that the arbitral tribunal has jurisdiction over it.

4. The provisions of Article 20, paragraphs 2 to 4, shall apply to a counterclaim, a claim under Article 4, paragraph 2 (f), and a claim relied on for the purpose of a set-off.

Amendments to the Claim or Defence

Article 22

During the course of the arbitral proceedings, a party may amend or supplement its claim or defence, including a counterclaim or a claim for the purpose of a set-off, unless the arbitral tribunal considers it inappropriate to allow such amendment or supplement having regard to the delay in making it or prejudice to other parties or any other circumstances. However, a claim or defence, including a counterclaim or a claim for the purpose of a set-off, may not be amended or supplemented in such a manner that the amended or supplemented claim or defence falls outside the jurisdiction of the arbitral tribunal.

Pleas as to the Jurisdiction of the Arbitral Tribunal

Article 23

1. The arbitral tribunal shall have the power to rule on its own jurisdiction, including any objections with respect to the existence or validity of the arbitration agreement. For that purpose, an arbitration clause that forms part of a contract shall be treated as an agreement independent of the other terms of the contract. A decision by the arbitral tribunal that the contract is null shall not entail automatically the invalidity of the arbitration clause.
2. A plea that the arbitral tribunal does not have jurisdiction shall be raised no later than in the statement of defence or, with respect to a counterclaim or a claim for the purpose of a set-off, in the reply to the counterclaim or to the claim for the purpose of a set-off. A party is not precluded from raising such a plea by the fact that it has appointed, or participated in the appointment of, an arbitrator. A plea that the arbitral tribunal is exceeding the scope of its authority shall be raised as soon as the matter alleged to be beyond the scope of its authority is raised during the arbitral proceedings. The arbitral tribunal may, in either case, admit a later plea if it considers the delay justified.

3. The arbitral tribunal may rule on a plea referred to in paragraph 2 either as a preliminary question or in an award on the merits. The arbitral tribunal may continue the arbitral proceedings and make an award, notwithstanding any pending challenge to its jurisdiction before a court.

Further Written Statements

Article 24

The arbitral tribunal shall decide which further written statements, in addition to the statement of claim and the statement of defence, shall be required from the parties or may be presented by them and shall fix the periods of time for communicating such statements.

Periods of Time

Article 25

The periods of time fixed by the arbitral tribunal for the communication of written statements (including the statement of claim and statement of defence) should not exceed 45 days. However, the arbitral tribunal may extend the time limits if it concludes that an extension is justified.

Interim Measures

Article 26

1. The arbitral tribunal may, at the request of a party, grant interim measures.

2. An interim measure is any temporary measure by which, at any time prior to the issuance of the award by which the dispute is finally decided, the arbitral tribunal orders a party, for example and without limitation, to:
a. Maintain or restore the status quo pending determination of the dispute;

b. Take action that would prevent, or refrain from taking action that is likely to cause, (i) current or imminent harm or (ii) prejudice to the arbitral process itself;

c. Provide a means of preserving assets out of which a subsequent award may be satisfied; or

d. Preserve evidence that may be relevant and material to the resolution of the dispute.

3. The party requesting an interim measure under paragraphs 2 (a) to (c) shall satisfy the arbitral tribunal that:

a. Harm not adequately reparable by an award of damages is likely to result if the measure is not ordered, and such harm substantially outweighs the harm that is likely to result to the party against whom the measure is directed if the measure is granted; and

b. There is a reasonable possibility that the requesting party will succeed on the merits of the claim. The determination on this possibility shall not affect the discretion of the arbitral tribunal in making any subsequent determination.

4. With regard to a request for an interim measure under paragraph 2 (d), the requirements in paragraphs 3 (a) and (b) shall apply only to the extent the arbitral tribunal considers appropriate.

5. The arbitral tribunal may modify, suspend or terminate an interim measure it has granted, upon application of any party or, in exceptional circumstances and upon prior notice to the parties, on the arbitral tribunal's own initiative.

6. The arbitral tribunal may require the party requesting an interim measure to provide appropriate security in connection with the measure.

7. The arbitral tribunal may require any party promptly to disclose any material change in the circumstances on the basis of which the interim measure was requested or granted.
8. The party requesting an interim measure may be liable for any costs and damages caused by the measure to any party if the arbitral tribunal later determines that, in the circumstances then prevailing, the measure should not have been granted. The arbitral tribunal may award such costs and damages at any point during the proceedings.

9. A request for interim measures addressed by any party to a judicial authority shall not be deemed incompatible with the agreement to arbitrate, or as a waiver of that agreement.

Evidence
Article 27

1. Each party shall have the burden of proving the facts relied on to support its claim or defence.

2. Witnesses, including expert witnesses, who are presented by the parties to testify to the arbitral tribunal on any issue of fact or expertise may be any individual, notwithstanding that the individual is a party to the arbitration or in any way related to a party. Unless otherwise directed by the arbitral tribunal, statements by witnesses, including expert witnesses, may be presented in writing and signed by them.

3. At any time during the arbitral proceedings the arbitral tribunal may require the parties to produce documents, exhibits or other evidence within such a period of time as the arbitral tribunal shall determine.

4. The arbitral tribunal shall determine the admissibility, relevance, materiality and weight of the evidence offered.

Hearings
Article 28

1. In the event of an oral hearing, the arbitral tribunal shall give the parties adequate advance notice of the date, time and place thereof.

2. Witnesses, including expert witnesses, may be heard under the conditions and examined in the manner set by the arbitral tribunal.

3. Hearings shall be held in camera unless the parties agree otherwise. The arbitral tribunal may require the retirement of any witness or witnesses, including
expert witnesses, during the testimony of such other witnesses, except that a
witness, including an expert witness, who is a party to the arbitration shall not,
in principle, be asked to retire.

4. The arbitral tribunal may direct that witnesses, including expert witnesses, be
examined through means of telecommunication that do not require their physical
presence at the hearing (such as videoconference).

Experts appointed by the Arbitral Tribunal
Article 29

1. After consultation with the parties, the arbitral tribunal may appoint one or
more independent experts to report to it, in writing, on specific issues to be
determined by the arbitral tribunal. A copy of the expert’s terms of reference,
established by the arbitral tribunal, shall be communicated to the parties.

2. The expert shall, in principle before accepting appointment, submit to the
arbitral tribunal and to the parties a description of his or her qualifications and
a statement of his or her impartiality and independence. Within the time ordered
by the arbitral tribunal, the parties shall inform the arbitral tribunal whether
they have any objections as to the expert’s qualifications, impartiality or
independence. The arbitral tribunal shall decide promptly whether to accept
any such objections. After an expert’s appointment, a party may object to the
expert’s qualifications, impartiality or independence only if the objection is for
reasons of which the party becomes aware after the appointment has been
made. The arbitral tribunal shall decide promptly what, if any, action to take.

3. The parties shall give the expert any relevant information or produce for his or
her inspection any relevant documents or goods that he or she may require of
them. Any dispute between a party and such expert as to the relevance of the
required information or production shall be referred to the arbitral tribunal for
decision.

4. Upon receipt of the expert’s report, the arbitral tribunal shall communicate a
copy of the report to the parties, which shall be given the opportunity to express,
in writing, their opinion on the report. A party shall be entitled to examine any
document on which the expert has relied in his or her report.

5. At the request of any party, the expert, after delivery of the report, may be
heard at a hearing where the parties shall have the opportunity to be present
and to interrogate the expert. At this hearing, any party may present expert witnesses in order to testify on the points at issue. The provisions of Article 28 shall be applicable to such proceedings.

Default
Article 30

1. If, within the period of time fixed by these Rules or the arbitral tribunal, without showing sufficient cause:
   a. The claimant has failed to communicate its statement of claim, the arbitral tribunal shall issue an order for the termination of the arbitral proceedings, unless there are remaining matters that may need to be decided and the arbitral tribunal considers it appropriate to do so;
   b. The respondent has failed to communicate its response to the notice of arbitration or its statement of defence, the arbitral tribunal shall order that the proceedings continue, without treating such failure in itself as an admission of the claimant’s allegations; the provisions of this subparagraph also apply to a claimant’s failure to submit a defence to a counterclaim or to a claim for the purpose of a set-off.

2. If a party, duly notified under these Rules, fails to appear at a hearing, without showing sufficient cause for such failure, the arbitral tribunal may proceed with the arbitration.

3. If a party, duly invited by the arbitral tribunal to produce documents, exhibits or other evidence, fails to do so within the established period of time, without showing sufficient cause for such failure, the arbitral tribunal may make the award on the evidence before it.

Closure of Hearings
Article 31

1. The arbitral tribunal may inquire of the parties if they have any further proof to offer or witnesses to be heard or submissions to make and, if there are none, it may declare the hearings closed.

2. The arbitral tribunal may, if it considers it necessary owing to exceptional circumstances, decide, on its own initiative or upon application of a party, to reopen the hearings at any time before the award is made.
Waiver of Right to Object

Article 32

A failure by any party to object promptly to any non-compliance with these Rules or with any requirement of the arbitration agreement shall be deemed to be a waiver of the right of such party to make such an objection, unless such party can show that, under the circumstances, its failure to object was justified.

SECTION IV. THE AWARD

Decisions

Article 33

1. When there is more than one arbitrator, any award or other decision of the arbitral tribunal shall be made by a majority of the arbitrators.

2. In the case of questions of procedure, when there is no majority or when the arbitral tribunal so authorizes, the presiding arbitrator may decide alone, subject to revision, if any, by the arbitral tribunal.

Form and Effect of the Award

Article 34

1. The arbitral tribunal may make separate awards on different issues at different times.

2. All awards shall be made in writing and shall be final and binding on the parties. The parties shall carry out all awards without delay.

3. The arbitral tribunal shall state the reasons upon which the award is based, unless the parties have agreed that no reasons are to be given.

4. An award shall be signed by the arbitrators and it shall contain the date on which the award was made and indicate the place of arbitration. Where there is more than one arbitrator and any of them fails to sign, the award shall state the reason for the absence of the signature.

5. An award may be made public with the consent of all parties or where and to the extent disclosure is required of a party by legal duty, to protect or pursue a legal right or in relation to legal proceedings before a court or other competent authority.
Applicable Law, *Amiable Compositeur*

**Article 35**

1. The arbitral tribunal shall apply the rules of law designated by the parties as applicable to the substance of the dispute. Failing such designation by the parties, the arbitral tribunal shall apply the law which it determines to be appropriate.

2. The arbitral tribunal shall decide as *amiable compositeur or ex aequo et bono* only if the parties have expressly authorized the arbitral tribunal to do so.

3. In all cases, the arbitral tribunal shall decide in accordance with the terms of the contract, if any, and shall take into account any usage of trade applicable to the transaction.

**Settlement or Other Grounds for Termination**

**Article 36**

1. If, before the award is made, the parties agree on a settlement of the dispute, the arbitral tribunal shall either issue an order for the termination of the arbitral proceedings or, if requested by the parties and accepted by the arbitral tribunal, record the settlement in the form of an arbitral award on agreed terms. The arbitral tribunal is not obliged to give reasons for such an award.

2. If, before the award is made, the continuation of the arbitral proceedings becomes unnecessary or impossible for any reason not mentioned in paragraph 1, the arbitral tribunal shall inform the parties of its intention to issue an order for the termination of the proceedings. The arbitral tribunal shall have the power to issue such an order unless there are remaining matters that may need to be decided and the arbitral tribunal considers it appropriate to do so.

3. Copies of the order for termination of the arbitral proceedings or of the arbitral award on agreed terms, signed by the arbitrators, shall be communicated by the arbitral tribunal to the parties. Where an arbitral award on agreed terms is made, the provisions of Article 34, paragraphs 2, 4 and 5, shall apply.
Interpretation of the Award

Article 37

1. Within 30 days after the receipt of the award, a party, with notice to the other parties, may request that the arbitral tribunal give an interpretation of the award.

2. The interpretation shall be given in writing within 45 days after the receipt of the request. The interpretation shall form part of the award and the provisions of Article 34, paragraphs 2 to 6, shall apply.

Correction of the Award

Article 38

1. Within 30 days after the receipt of the award, a party, with notice to the other parties, may request the arbitral tribunal to correct in the award any error in computation, any clerical or typographical error, or any error or omission of a similar nature. If the arbitral tribunal considers that the request is justified, it shall make the correction within 45 days of receipt of the request.

2. The arbitral tribunal may within 30 days after the communication of the award make such corrections on its own initiative.

3. Such corrections shall be in writing and shall form part of the award. The provisions of Article 34, paragraphs 2 to 6, shall apply.

Additional Award

Article 39

1. Within 30 days after the receipt of the termination order or the award, a party, with notice to the other parties, may request the arbitral tribunal to make an award or an additional award as to claims presented in the arbitral proceedings but not decided by the arbitral tribunal.

2. If the arbitral tribunal considers the request for an award or additional award to be justified, it shall render or complete its award within 60 days after the receipt of the request. The arbitral tribunal may extend, if necessary, the period of time within which it shall make the award.

3. When such an award or additional award is made, the provisions of Article 34, paragraphs 2 to 6, shall apply.
Definition of Costs
Article 40

1. The arbitral tribunal shall fix the costs of arbitration in the final award and, if it seems appropriate, in another decision.

2. The term “costs” includes only:
   a. The fees of the arbitral tribunal to be stated separately as to each arbitrator and to be fixed by the tribunal itself in accordance with Article 41;
   b. The reasonable travel and other expenses incurred by the arbitrators;
   c. The reasonable costs of expert advice and of other assistance required by the arbitral tribunal;
   d. The reasonable travel and other expenses of witnesses to the extent such expenses are approved by the arbitral tribunal;
   e. The legal and other costs incurred by the parties in relation to the arbitration to the extent that the arbitral tribunal determines that the amount of such costs is reasonable;
   f. Any fees and expenses of the appointing authority as well as the fees and expenses of the Secretary-General of the PCA.

3. In relation to interpretation, correction or completion of any award under Articles 37 to 39, the arbitral tribunal may charge the costs referred to in paragraphs 2 (b) to (f), but no additional fees.

Fees and Expenses of Arbitrators
Article 41

1. The fees and expenses of the arbitrators shall be reasonable in amount, taking into account the amount in dispute, the complexity of the subject matter, the time spent by the arbitrators and any other relevant circumstances of the case.

2. If there is an appointing authority and it applies or has stated that it will apply a schedule or particular method for determining the fees for arbitrators in international cases, the arbitral tribunal in fixing its fees shall take that schedule or method into account to the extent that it considers appropriate in the circumstances of the case.
3. Promptly after its constitution, the arbitral tribunal shall inform the parties as to how it proposes to determine its fees and expenses, including any rates it intends to apply. Within 15 days of receiving that proposal, any party may refer the proposal to the appointing authority for review. If, within 45 days of receipt of such a referral, the appointing authority finds that the proposal of the arbitral tribunal is inconsistent with paragraph 1, it shall make any necessary adjustments thereto, which shall be binding upon the arbitral tribunal.

4. a. When informing the parties of the arbitrators’ fees and expenses that have been fixed pursuant to article 40, paragraphs 2 (a) and (b), the arbitral tribunal shall also explain the manner in which the corresponding amounts have been calculated;

b. Within 15 days of receiving the arbitral tribunal’s determination of fees and expenses, any party may refer for review such determination to the appointing authority. If no appointing authority has been agreed upon or designated, or if the appointing authority fails to act within the time specified in these Rules, then the review shall be made by the Secretary-General of the PCA;

c. If the appointing authority or the Secretary-General of the PCA finds that the arbitral tribunal’s determination is inconsistent with the arbitral tribunal’s proposal (and any adjustment thereto) under paragraph 3 or is otherwise manifestly excessive, it shall, within 45 days of receiving such a referral, make any adjustments to the arbitral tribunal’s determination that are necessary to satisfy the criteria in paragraph 1. Any such adjustments shall be binding upon the arbitral tribunal;

d. Any such adjustments shall either be included by the arbitral tribunal in its award or, if the award has already been issued, be implemented in a correction to the award, to which the procedure of article 38, paragraph 3, shall apply.

5. Throughout the procedure under paragraphs 3 and 4, the arbitral tribunal shall proceed with the arbitration, in accordance with article 17, paragraph 1.

6. A referral under paragraph 4 shall not affect any determination in the award other than the arbitral tribunal’s fees and expenses; nor shall it delay the recognition and enforcement of all parts of the award other than those relating to the determination of the arbitral tribunal’s fees and expenses.
Allocation of Costs
Article 42

1. The costs of the arbitration shall in principle be borne by the unsuccessful party or parties. However, the arbitral tribunal may apportion each of such costs between the parties if it determines that apportionment is reasonable, taking into account the circumstances of the case.

2. The arbitral tribunal shall in the final award or, if it deems appropriate, in any other award, determine any amount that a party may have to pay to another party as a result of the decision on allocation of costs.

Deposit of Costs
Article 43

1. The arbitral tribunal, on its establishment, may request the parties to deposit an equal amount as an advance for the costs referred to in Article 40, paragraphs 2 (a) to (c).

2. During the course of the arbitral proceedings the arbitral tribunal may request supplementary deposits from the parties.

3. If an appointing authority has been agreed upon or designated, and when a party so requests and the appointing authority consents to perform the function, the arbitral tribunal shall fix the amounts of any deposits or supplementary deposits only after consultation with the appointing authority, which may make any comments to the arbitral tribunal that it deems appropriate concerning the amount of such deposits and supplementary deposits.

4. If the required deposits are not paid in full within 30 days after the receipt of the request, the arbitral tribunal shall so inform the parties in order that one or more of them may make the required payment. If such payment is not made, the arbitral tribunal may order the suspension or termination of the arbitral proceedings.

5. After a termination order or final award has been made, the arbitral tribunal shall render an accounting to the parties of the deposits received and return any unexpended balance to the parties.
ANNEX

1. What is the importance of IIAM Arbitration Rules?

The IIAM Arbitration Rules are a set of procedural rules covering all aspects of the institutional arbitration process, which the parties may agree to in part or in whole in order to help resolve their domestic or international disputes. The IIAM Arbitration Rules adopts the UNCITRAL Arbitration Rules 2010, which enables the IIAM Rules to administer arbitration at accepted global standards.

IIAM provides administrative assistance to the arbitral tribunal and parties by making available facilities, through the appointment of arbitrators, by getting involved in resolving procedural issues, acting as the registry and by providing a reasonable fixed schedule of fees, thereby ensuring smooth progress of the arbitral process in an efficient and time bound manner. IIAM Rules also provide for methods for expedited and innovative procedures like, Emergency Arbitrator, Arb-Med-Arb Procedure, Fast-track procedure, Consolidation of proceedings and Concurrent hearings, Scrutiny of award etc., which would ensure fast, economic and efficient disputes resolution process. IIAM’s roles and functions are identified in Part-I of the Rules. The IIAM Arbitration Rules incorporates the UNCITRAL Arbitration Rules which are comprehensive, time-tested and internationally accepted.

The details of institutions globally which has adopted UNCITRAL Arbitration Rules 2010 is available at the UNCITRAL Website (http://www.uncital.org/uncital/en/uncital_texts/arbitration/2010Arbitration_rules_status.html)
For updated information of the Status of UNCITRAL conventions and model laws, see the Secretariat Note dated 17 May 2016 published by the UNCITRAL (At page 26) (http://www.arbitrationindia.com/pdf/uncitral_status.pdf)

2. Where can I find the model arbitration clause under the IIAM Arbitration Rules?

Parties who wish to have arbitration under the IIAM Arbitration Rules may incorporate the IIAM model clause in their agreement. The model clause can be found under Schedule-7 of the Rules or in the official IIAM website.

3. What do I do if I do not have a model arbitration clause in my agreement?

If both parties are agreeable that the dispute can be resolved according to the IIAM Arbitration Rules, but there is no arbitration clause in their original agreement; then they may enter into an arbitration agreement in the form as specified in Schedule-8 of the Rules.

4. Why do the Rules have Part I and Part II? Which part is applicable to the arbitration?

5. What type of disputes can be resolved by arbitration under the IIAM Arbitration Rules?

Any civil, commercial, contractual or business disputes can generally be resolved through arbitration. As per general practice, matters involving moral questions or questions of public law cannot be resolved by arbitration. For instance, the following matters cannot be referred to arbitration:

- Matrimonial matters, like divorce or maintenance;
- Insolvency matters, like declaring a person as an insolvent;
- Criminal offences;
- Dissolution or winding up of a company.
6. How do I begin a matter under the IIAM Arbitration Rules?

It is very simple. A party initiating the dispute shall be required to submit the Arbitration Submission Form (Form No. 103), available in Schedule-10, to IIAM together with a copy of the Notice of Arbitration served on the Respondent in the manner required under Rule 2 of Part-I, along with the Registration fees.

7. How much will it cost to arbitrate under the IIAM Arbitration Rules?

IIAM Arbitration is very cost-effective, especially considering the time-bound manner in which the dispute is resolved and the effective administrative services offered for ensuring smooth the progression of the proceedings. The costs and expenses of arbitration will be governed by the IIAM Arbitration Fee Schedule. The current fee schedule of IIAM, mentioned in Schedule-9, shall be notified by IIAM from time to time or published in its official web site. Appendix-1, provide the fee schedule for domestic arbitration (for Claims more than Rs. 5 lakhs), Appendix-2 for small cause domestic arbitration (for Claims less than Rs. 5 lakhs), Appendix-3 for international arbitration, Appendix-4 for emergency arbitrator (for interim measures and AMA Procedure) and Appendix-5 for miscellaneous charges.

8. How are arbitrators appointed under the IIAM Arbitration Rules?

The arbitrator appointment under the IIAM Rules, assure that the arbitral tribunal is formed at the earliest, and confirms that the arbitral tribunal is neutral and efficient on international standards. In an unlikely case of any doubts, the parties are able to challenge the arbitrator and effective provisions are made in the Rules to address such challenge.

9. Are arbitration proceedings confidential in nature?

Yes. Arbitration under the IIAM Arbitration Rules is private and confidential. As per Rule 20, the arbitral tribunal, the parties and the IIAM shall keep confidential all matters relating to the arbitral proceedings. Article 28 of the IIAM Arbitration Rules specifies that hearings shall be held in camera unless the parties agree otherwise.

10. Are parties restricted to appointing arbitrators from IIAM Panel of Arbitrators when arbitrating under the IIAM Arbitration Rules?

No. There are no restrictions imposed and parties are free to appoint arbitrators of their choice. The parties and the arbitral tribunal can also agree upon a different arbitrator fee other than under the IIAM Fee Schedule as under Rule 18(3)
11. How long does the entire proceedings take?

A regular arbitration under the IIAM Rules would be completed within 9 months from the date of appointment of the arbitral tribunal. The award would be rendered within 45 days. Under the fast-track procedure, the entire arbitration gets over within 6 months.

12. How does a party apply for an Emergency Arbitrator?

The provision for the appointment of emergency arbitrators is found under Schedule-1. Rule 9 and Schedule-1 allows the party in need of emergency interim relief to make such application along with EA Submission Form (Form 104) and the said application can be made concurrently with or after the filing of the Arbitration Submission Form, but not after the constitution of the arbitral tribunal.

13. What are the powers of the Emergency Arbitrator?

The emergency arbitrator shall act to determine all applications for emergency interim relief until the constitution of the proper arbitral tribunal. Emergency interim relief order or award granted by an emergency arbitrator shall have a binding effect on the parties (Refer Schedule-1).

14. How can a party invoke AMA Procedure?

The AMA or the Arb-Med-Arb Procedure under the IIAM Rules, is an effective way by which the party can invoke arbitration and simultaneously try to resolve the dispute through mediation and if successful, make the outcome as an arbitral award or in case of failure of mediation, continue with arbitration. The Party can initiate AMA Procedure by filing the EA Submission Form (Form 104) along with an application for the said purpose. The AMA procedure helps to save time and also helps to make mediation settlement binding, especially in international disputes, as the mediation settlement would become enforceable under the New York Convention.

15. What is the advantage of scrutiny of award?

This is a unique feature of the IIAM Arbitration Rules, which affords an opportunity for the parties to get a second opinion about the legality of the process so as to make sure that the award does not suffer any irregularity making it vulnerable to a challenge. This is especially useful, when the arbitral tribunal consists of technical arbitrators, who may not be experts in the field of law. This is not an appeal provision and the Scrutiny Board will not have any authority to interfere with the arbitral tribunal’s decision making liberty.
